PITTSFORD MENDON

HIGH SCHOOL

presents

Pittsford Mendon High School can often resemble a Broadway play. With its action, enthusiasm and talent this is easy to imagine. Its **STUDENT LIFE** is full of many different characters, each with his own special qualities which makes him original. Yet they come together to take part in one large production. Its **FACULTY** members are the directors in charge of teaching, preparing and guiding their students towards that opening night.

Mendon's **SPORTS** provide suspense and excitement, keeping us always on the edge of our seats.

Its **UNDERCLASSMEN** are simply the rising stars of the cast. The school's **FINE ARTS** students add that something extra, making everything shimmer.

Its **ACTIVITIES** are the different scenes, each one organized with a specific purpose in mind.

Our **SENIORS** are the leaders in the cast of characters. Soon to leave, they will go on to the final test of character—the real world.

Homecoming 1985

Homecoming 1985 was an eventful weekend that will stay with us for a long time. The weekend's festivities started with the spirited Pep Rally, dressing up in maroon and gold and the after school jam session. The next day was the highlighted football game including the float showings. As in the past three years the sophomores took the prize. The great weekend was wrapped up with the dance and the surprising Powder Puff football game. *Mendon* will always be *Triumphantly Victorious*.

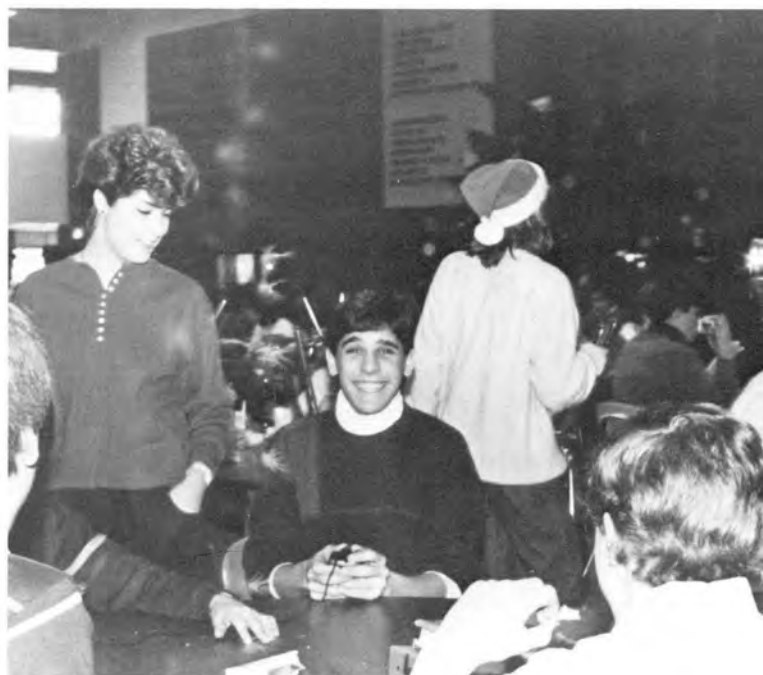

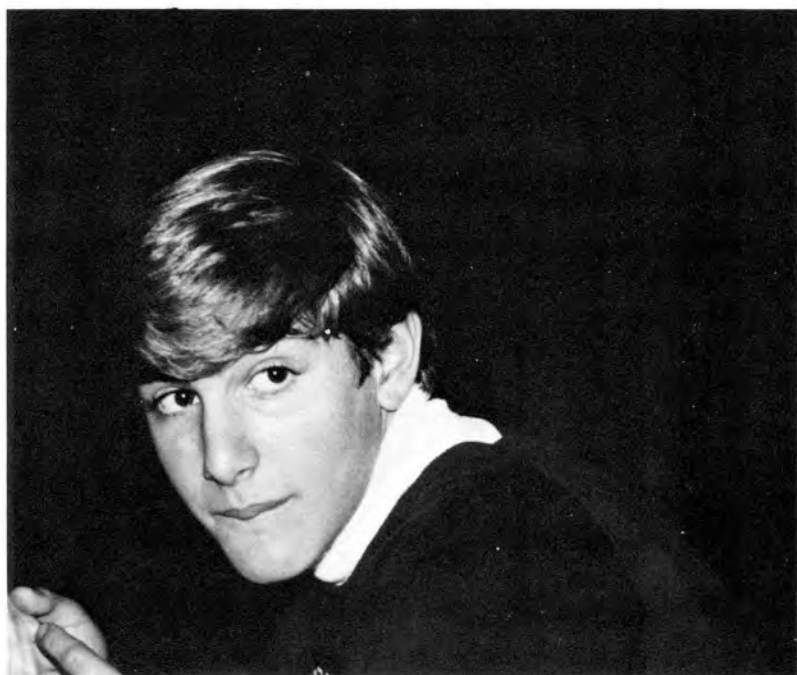

Holiday Party 1985

The Holiday Party this year was very exciting. Matt Miller alias Santa Claus, provided a background for jolly pictures and excitement during the assembly via gift giving. Many people dressed for the occasion and the senior elves showed extreme enthusiasm. Overall, the day was truly memorable.

Farhqrar

With 3rd year coach Howie Maffucci at the helm, Pittsford's varsity football team completed a rugged season with a final record of 3-5-1. Despite the losing record the team gave its followers some exciting memories. The last minute win over Irondequoit, the rout of Webster, and the solid defeat of Sperry was indicative of the team's talent and desire. The losses were

difficult, especially the last minute defeat by Penfield. Although this team had enough talent to win every game, luck never seemed to be on their side. With the resignation of Coach Maffucci, next year's team will be starting anew yet, not without the never ending hope for a winning season.

Captains Chris Kennel, Alex Menzie, and Scott Vandermeid unified a young squad comprising representatives of all four grade levels. Andy Cummings and Terry Pelino were First-Team All-

County selections, while Rob Golden and Chris Kennel (also an All-Greater Rochester team member) received Second-Team honors; Bill Killius was given an honorable mention.

A strong core of returning players are looking forward to an excellent effort in 1986, and this year's experience combined with the leadership and advice of departing seniors should help them continue Mendon's winning tradition.

Ellen and Cassie were both chosen as members of the all-Greater Rochester team while goalie Jenny Clawson, who recorded twelve shutouts, and Shannon McConville received honorable mention and Sue Kendall was named to second team all-county. With many team members returning, Mendon Girls' Soccer can look forward to yet another year at the top.

Varsity Field Hockey

The Vikings reached Sectionals for the second year in a row under the leadership of captains Karen Beck and Debbie Stowe and all-stars Karen, Sara Frank, Andrea Gawlak, and Kathleen O'Brien. The team posted a record of 2-4-8 in their new kilts and tee-shirts, losing to Hilton in Sectionals only in a stroke-off. Though the team is losing many valuable, long-time members, rest assured that the hard working tradition that is Mendon field hockey will live on.

Girls' MVP Cathy Mahan, who was also an all-county pick, led the team to a sixth place finish. It looks like Bears really do make it happen!

Tara Stukenberg won both the Counties' and Sectionals' for first doubles with team members Rachel Furman,

Seniors Kris Engkvist and Donna Farren were the proud captains of Mendon's finwomen this season. The team again presented a united and triumphant front to the tough competitors of Section 5. The captains swam their ways into the exciting Sectional competition, joined by an impressive list of fellow swimmers and divers that also attended. Cathy Cave, Erin Fandel, Monica Farren, Tricia O'Brien, Julie Rund, Pam Storer, and Suzanne Wozniak represented Pittsford Mendon in Sectionals while Monica Farren swam to a state finish in the maroon and gold. The proud tradition lives on and next year looks just as bright for the Lady Vikes.

A Return Hit

Varsity Basketball

The Pittsford Mendon basketball team had another fine season. By ending the season with a respectable record of 11 wins and 7 losses, the Vikings qualified for the fifth seed in the Section 5 Class AA tournament.

The Vikings year was marked by exciting swings. At least 7 games were decided by 2 points or less. The highlight of the regular season was the 69-67 defeat of R-H Sperry. Sperry, ranked #12 in the state and the 2nd best team in Section 5, came into the game undefeated. Through a fine defensive effort by the three big men, and a great deal of poise by the guards, the Mendon squad finally lived up to its potential.

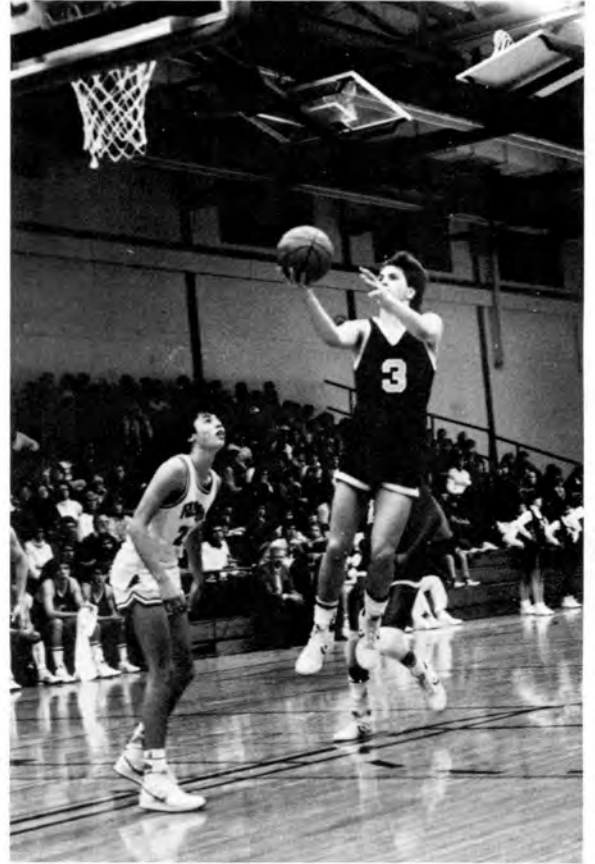

In the first round of the Sectional Tournament, the Vikings crushed visiting Palmyra-Macedon, 75-45. The second round game against Geneva lived up to its billing as one of the toughest match-ups of the tournament. The team exchanged baskets through out most of the first half. At the sound of the horn, which signaled the end of the first half, the scoreboard read: Geneva-34,

Pittsford-Mendon-34.

By the end of the third period, the Vikings had established a seven point lead. At this point, it looked as though Mendon would make it to the semi-final round at the War Memorial. After trading baskets and the lead for several minutes, Geneva had a one point lead with time running out. Steve Budill, who lead Mendon with 20 pts., 12 rebounds and 4 blocked shots was fouled with one minute left in the contest. After sinking both shots, Budill gave the Vikings a one point, 65-64 lead. With 9 seconds left Geneva's, Steve Shultz sank 2 free throws to defeat Mendon, 66-65. In addition to Budill's 20 points, Jim Wittig had 18 points, and Rich Pestorius had 11 points.

The team had a fine year, and finished with a record of 12 wins and 8 losses. the seniors, Rich Pestorius, Mark Yeager, Shawn Miklaucic, Steve Budill, Brock Mason and Chris Ryan would like to thank Coach Heffron for his help and encouragement through out their careers.

Sophomore Kari Knapp led the league in scoring, and helped the Vikings finish with a 13-3 record. Distinguished by matching sweatbands, the squad was a unified and hard - working group.

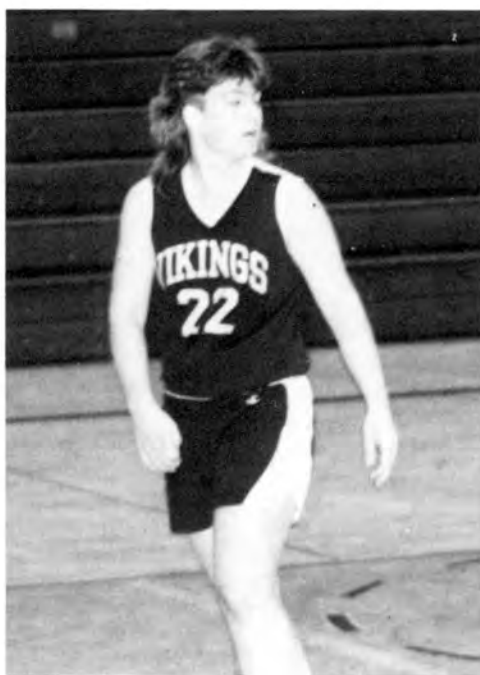

The team was coached by Mr. Larry Horgan. They achieved a final ranking of ninth, after reaching the quarter-finals and losing only in double overtime. With all-star and Monroe County West MVP Kari Knapp returning to the talented squad, the Vikings figure to be a powerful force in next year's league play.

The Mendon Nordic Ski Team enjoyed a successful season despite stiff competition. The squad was led by first-year coach Lee Maxey and captains Mark Balsamo, Matt Miller, Lisa Beres, and Debbie Mulford. The boys placed between second and fourth during the regular season meets, and fifth in Sectionals, which included Monroe County League as well as Metro League competition. The girls did especially well this year, finishing second or third in all races, and taking the bronze in Sectionals. MVP's were Tom Horton and Lisa Beres, who represent Section Five at States. Several team members also participated in the Empire State Winter Games. Although the Vikings graduated many Seniors, the team should remain consistent in its performances next winter.

Although the Varsity Wrestling team's record was 6-7, there were many fine individual performances. Leading the team was Co-Captain Todd Thayer. Thayer finished the season with a 23-5 record. His excellent record was good enough to earn him a spot on the All-County team. Other team mates who were also selected for the All-County team were Chris and Doug Miller and Dave Nicholl. Since there were only two Seniors on the Wrestling team this year, next years team has a bright and promising future.

A Perennial Champion

Varsity Hockey

The 1985-86 Viking hockey team upheld the winning traditions, posting a 9-7-2 record during the regular season. Relying on the offensive skills of junior Chris Smith and senior Pat Woodring and steady defensive play of senior goalie Chris Marren, junior Tom Gately and senior Tim McManus, Mendon finished the season in fourth place. This was a pleasant surprise for the team made up primarily of underclassmen.

Highlights of the season included an opening game 8-6 victory over powerful Batavia. This game was followed by a 2-1 defeat to the Indians of Irondequoit. After victories over Fairport and Sperry, Mendon played McQuaid to 4-4 tie. High scoring center Chris Smith was knocked out of action with a shoulder separation. As a result the rest of the team had to pick up the scoring load and more than adequately met the challenge. A setback to Aquinas was followed by an impressive game against Sutherland.

The rest of the schedule was a series of ups and downs as the inexperience and limited depth of the team showed at times.

Mendon was seeded 4th entering sectionals and blew out Bishop Kearney in a 9-0 shutout in the first game. Aquinas was the next draw and Mendon skated away with a 2-1 victory. The drama of the game was when Chris Marren snuffed a Aquinas penalty shot thus insuring the victory.

Powerful Irondequoit was the next opponent. The semi-final game played before a near capacity crowd, proved to be an exciting, tense contest. The Indians jumped out to a quick 3-0 lead at the end of one period. Behind the gutsy goaltending of Chris Marren, the Viking's were able to get back in the game when Pat Woodring scored twice in the second period. Despite a valiant effort the final score was 6-2 and marked the end of a super season.

Mendon Volleyball encountered a season of rebuilding in 1985, but the future looks encouraging as every Varsity player will be returning next year. Captains Jennifer Clawson and Sue Kendall

led the Lady Vikings, whose trademarks were matching kneepads. The team was coached by Mrs. Sue England.

With captains Michelle Steenburgh and Tiffany Ricks and all-around competitors Tiffany Ricks and Holli Vogt leading the way, this year's gymnasts topped last year's team in the standings. "Do it with class" was an apt motto for Coach Ververs' Lady Vikes, and Tiffany Ricks proved Mendon's classiness with a trip

to Sectionals in three events. With each passing meet, the team grew closer and better, and with most of the team- including two eighth graders- returning next year, the learning experience is sure to pay off.

Varsity Track

Spotlight On . . .

Girls' Track

The 1985 Girls' Track team, coached by Harry Sauerhafer and combined with Sutherland for the first year showed great improvement over last year. Although the team was young and inexperienced it was a tough competitor having a respectable record of 3 wins and 4 losses. Highlights of the season came when the team brought home second place trophies in both the Dansville and Newark Invitationals. The team was led by co-captains Shireen Rahman and Carin Campbell. Several of the lady Vikes earned individual honors by both making and placing in Sectionals. Cassie Jordan, in her first year on the team ran in Sectionals in the 100 and 200 meter races, placing second in one and third in the other. The 4 x 100 relay team consisting of Jordan, Annabella Barton, Colleen Ware, Kristin Lyle placed third in Sectionals. Although the team is losing few seniors it will definitely miss its captain and MVP Shireen Rahman, but with such standouts as Jordan and many other underclassman returning the team should do even better next year.

The Mendon golf team enjoyed a fairly successful 1985 season, posting a record of 4-7 overall. The team was coached by Bruce Ray and led by MVP sophomore Drew Savage. With Drew and several other starting sophomores returning, the team should enjoy continued success next year.

A New Star . . .

Varsity Swimming

The 1985 Boys' Swim Team, through much effort and dedication, showed considerable improvement over last year. Led by coach Marty Keating, and captains Jeff West and Tim Lancto, the squad swam to a 9-6 record and finished sixth in Section Five. Junior Doug Whitney, an All-county, Empire State and All-State selection, had an outstanding season. He won Sectional Championships in both the 100- and 200-freestyle events. Stars on the diving board were Bernie Colligan and Tim Lancto, who placed second and fourth in Sectionals respectively.

A Sold-Out Show . . .

Varsity Softfall

Behind the leadership of three experienced and talented seniors, the Vikings proved to be a respectable member of league play. This was one team proven to be unstoppable by wind or cold; they just pulled their caps down tighter and buckled down to the hard work of smashing base hits. Jean Kinney's heart-stopping, whirlwind trips around the base paths were just as threatening as her fine outfield play and pitcher Kris Hoepner formed a potent team with her catcher Cheryl Clinger. With most of the team returning, there are no limits to what this team can do.

The boys' varsity baseball team had another successful season in 1985, finishing with a 13-11 record. The Viking team posted a 7-9 league record which was good enough to earn them a place in the Sectional tournament. Unfortunately, lady luck was not on their side. In the opening game of the Tournament, the Vikings were upset by R-H Roth 3-1.

Although the defeat ended the season for most of the team, several players were honored by post-season all-star teams. Among the 1st team All-County selections were; Tim Lancto, Eric Heier, and David Weaver. John Anderson and Paul Wood were named to the Honorable Mention Team.

While Lancto and Hier were honored for their fine play, pitcher Jay Bhatt was not. Bhatt, a starting pitcher for the Vikes, posted a 4-2 record. His team-leading 2.25 E.R.A. and astounding 49 strikeouts in 36 innings pitched, demonstrated his exceptional talent.

This young Mendon team is looking forward to the upcoming season with hope for a Sectional Title.

A Star Is Born! ! !

Varsity LaCrosse

Pittsford lacrosse has arrived as a force to be reckoned with. A 2-16 1984 record leaped to 9-9 in 1985, and the team was only kept out of the sectional tournament by a scoring technicality. Captains Bill Knup and Dan Lockwood led the squad to the unprecedented .500 season. The amazing overall improvement was exemplified by a goal-scoring total jump to 201 from 84 the previous year. Second Team All-County selection were Lockwood who set game and season assist records, and Brian Porter, who set a ground ball record. Knup and junior attacker Pete Streit received honorable mentions. The team is looking forward with eagerness to next season, as an experienced midfield and attack (Streit, Brett Wood, Rick Kievit) return and Henry Ferris remains in goal. 1985 Coach of the Year Paul W. Wilson undoubtedly anticipates further dramatic improvement in 1986.

A Championship Season

Varsity Tennis

The boys' varsity tennis team posted an undefeated season in 1985 and captured its second consecutive Section Five Championship. While the thirteen-man squad achieved an 11-0 record, the season was also marked by outstanding individual accomplishments. Senior Jeff O'Dwyer won his fourth straight Sectional Singles title, and Eric Haase and Chris Ryan were runners-up in the Doubles. Jeff, Eric, and Chris joined Steve Sobell, Jeff Sobell, and Johan Naude to advance to State Qualifier action. The team successfully outplayed its competition in 1985 and capped off an incredible season in style.

Three cheers for our enthusiastic cheerleaders who are led by captains Heather Goodwin and Tracy Conner. With discipline and precision, this peppy group kept up the teams' spirits and involved the crowd in the excitement. The daring team members added death-defying feats to their repertoire: leaping from their teammates shoulders, doing flips from the top of human pyramids, and the awe-inspiring list goes on. With almost the whole team returning, next year's squad promises to give the Dallas Cowgirls real competition.

*Do not stand at my grave and weep,
I am not there; I do not sleep!
I am a thousand winds that blow;
I am a diamond glint of snow;
I am the field of ripened grain;
I am the gentle autumn rain;
When you awake in the morning lush;
I am the upflinging rush of silent birds in circling
flight
I am the soft star shine at night;
Do not stand at my grave and cry;
I am not there; I did not die.*

Show Choir is a specially auditioned group of eighteen performers. To be a member of this very talented group, one must be able to sing, dance, and act. The Club officers and Mr. Denison.

Drama Club had some problems in the beginning of the year. It was, for some time, without a director when Mr. Denison announced his resignation. Thankfully, he recently announced that he was returning as director for this year's performances. The club is extremely thankful to him, and we would all like him to know how much he means to the program, and to us.

The Club will be doing a musical, *Pajama Game*, in April, and a revival of *God*, a hysterical play performed two years ago, is planned for the Fine Arts Festival.

The Club's officer's this year are: Pete Bouman: President, Mark Biernbaum: Vice President, Caren McCaleb: Secretary, and Michelle Leroux: Treasurer.

We are looking forward to another very successful year with two fantastic productions!

Hey! You got the part I wanted, so say Bye-Bye!

Do you ever get that nervous feeling? Queasy? Sick? That's the way these brave, young souls felt while trying out for the 85-86 Spring Musical, *Pajama Game*. Auditions lasted three nerve-racking days. And, if you were interested in a special dancing role or were called back for a lead, a fourth day was demanded. Good luck to everyone who made it, we're sure it will have been another mega-marvelous Mendon masterpiece! After all, that's not assuming too much considering the Mendon talent!

TECH

Medicine Man, was last year's Spring comedy. It was written by David Grote, who adapted it from Molière's "The Doctor in Spite of Himself." Twelve actors and actresses participated in this farce about a mute girl, a Spanish conquistador, a Jewish mother (Spanish really), a desperate woman, a con man, an agitated wife, an Australian sheriff, two dumb cowboys, a brave young lover, a cutsie cheerleader-type teenager, and an unforgettable Spanish nurse in drag (nice legs Steve!). It was a totally enjoyable performance for both the participants and the audience!

Pittsford Mendon's
Spring Musical
Hello Dolly

As usual, the Pittsford Mendon Musical, *Hello Dolly*, was a tremendous success. Through the combined efforts of John Denison, artistic director, Lin Conley McCall, choreographer, Harold McCauliffe, musical director, and Aaron Cook, technical director, 59 students were able to display their performing talents in an extravaganza rarely seen on a high school stage. Unlike the last two year's dramatic musicals, no one in the audience left crying. The songs and dialogue were upbeat and optimistic, so instead most left with a big smile! Another well-deserved thanks goes to all those who worked behind the scenes. It couldn't have been done without their tremendous aid. As always, this production lived up to the grand tradition of fantastic performing arts we have here at Mendon!

The Mendon High School Drama and Musical Clubs are proud to present this production.

Those who matter
Are only you and me.

Why are all the gates
Closed
When one,
Alone, starving, poor
Knocks upon them?
Why do the ears
Not listen
To children crying
In the night?

The night
Is always black,
Oppressive, endless.
The cries
Become always
Less clear, more obscure.
It is our shame.

Those who matter
Are not
The kings and princes,
Not the golden crowns.

Those who matter
Are only you and me.
—Eileen Goldsmith

Caren McCaleb

Anxious to unearth the hidden artistic and literary talent that lurks in the hearts of PMHS students, this creative group of struggling poet-editors waded through many a diverse contribution to produce two fantastic issues of Mendon's literary magazine *Pastille*. Under the scholarly direction of editor-in-chief Jenny Wilkinson, co-editor Mark Biernbaum, Caren McCaleb and Laura Lynne Balles spent much time and had a lot of fun planning and editing this superb student magazine. A special thanks to our faculty advisor, Mr. Fox.

Pressure

chest tight
can't breath
why's the world closin' in on me?

skies flash
head spins
when'm I gonna get to that
bridge?

wind bites
rails cold
what'll it be like below?

water swirls
dark is good
how come I'm not understood?

at the edge
hands shake
can I make one more mistake?
—JNM

Today I saw a dragonfly in flight.
It reminded me of those fun and carefree days
When life was free of horror and of fright
And people said I'd live my life my way.

Today I saw a dragonfly in flight.
With gentle trees and under gentle skies
I thought about my life and how I'd lived it.
I pondered my mistakes of days gone by.

Today I saw a dragonfly in flight.
I reflected on the times that lay ahead
When days of sorrow and of endless night
Would exist only in my darkest dreams of dread.

Today I saw a dragonfly in flight.
I reviewed my life and came to the conclusion
These is no right or wrong when it comes to living
Because life is just a whimsical illusion.

Dark Knight

In the Dungeon of man's mind lies destruction-
In the rippling Pools of Thought floats his reflection-
From the Well of Wisdom draws he the Knowledge-
But strewn upon the floor of his Soul,
Broken shards of Courage lay.
His wounded Heart cries bloody tears,

Having fallen to internal fears.
But he stands again for one last fight,
And pleads the sky to answer why,
But all he finds is the dark night within
All he finds is . . .
The Dark Knight within.

So many of them identify me as a dancer
But I have not danced for two years
My room is drenched in ballet accoutrements
Gilded with dust

Someday soon I will leave them
And the other relics of my past
Only to carry the interests of now
And the maturity of my struggles

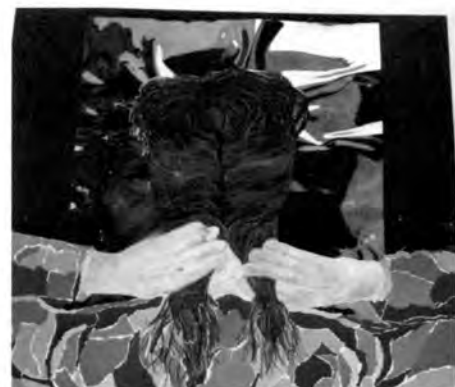

Those who knew me will think of me
With all my past selves in mind
The way they do now
Making in impossible to break the barriers

Yet when I arrive to the new place
No barriers will exist
Merely places for new ones to be made
And all who meet me will meet only the person I have become
How optimistic, a chance to not be imprisoned
By the past
How sad, a new age where we alone know
The pain and happiness we did endure

Listen to the silence,
And what do you hear?
Obey the silence,
And follow close near.
Something is speaking.
But no one around;
But hear not a sound.
What is that murmur?
I can tell you;
The voice of your nature,
And follow, you do,
Words unimportant,
And actions untrue,
But inside, the voice of your
heart
Speaks to you.
Do as it tells you.
Do as you're told;
Follow your heartsounds,
Then dare to be bold.
Confidence it gives you,
And faith in yourself;
When sure of your own,
Ask no other help.
But listen to heartsounds,
And follow close near,
Listen to heartsounds
And hold yourself dear.

There are many members in this year's prestigious National Honor Society. Although it is difficult to believe that this motley crew represents la creme de la creme of academic achievement, (all members have an A average or better), this group performs a great number of services for the school, including orientation of new students, tutoring services, and participation in various other community endeavors. In addition to exemplifying the admirable qualities of scholarship, leadership, character, and service, these students also graduate with the distinction of having led the second most successful class in Pittsford Mendon's history.

Model United Nations Club

V

The dedicated Model United Nations Club was very active this year, attending conferences at Hilton and the University of Rochester, at which numerous members received awards for outstanding debating and diplomatic skills. Two members who especially distinguished themselves: Henry Ferris was selected to attend the Hague Model U.N. in January, and Lisa Maguire won a Rotary Club scholarship to study the United Nations in New York City. Club officers included President Mark Biernbaum, Vice-President Lisa Maguire, Secretary Eileen Goldsmith, and Co-Treasurers Rob McNamara and Kathleen O'Brien.

The students who participate in this club attempt to emulate the administration of the state government by acting out roles and participating as politicians. They travel to a state-wide conference in Albany in March, for which they devote many hours of fundraising activities. The state capital becomes invaded by over 500 mock legislators, judges, lawyers and press people ready to take over the government of New York for three days. The club, whose activities are sponsored by the YMCA, is advised by Mr. Jim Crooker. The enthusiasm which the club generates has long ensured its success and popularity in Pittsford-Mendon.

Friendly Competition & Admirable Dedication

Math Club

This talented group of math enthusiasts participates in numerous Monroe County meets and consistently ranks high due to the dedication of Mrs. Claudia Shraver and the support of the entire math department. Devoting several afternoons to far-away schools for grueling competition, the group is rewarded by baked treats, bulk food, and the intense satisfaction of a job well done. Congratulations to departing high-scoring seniors and best wishes to the promising underclassmen.

Chess Club

Mrs. Carol Kramer is solely responsible for the antics of this lively group, whose individual performances and team spirit have been virtually unrecognized by the rest of the student body. This group contributes their extraordinary chess skills in the representation of the school in several county-wide meets. Regardless of which team declares "Check mate!" first, the students always enjoy themselves immensely. Perhaps next year, a female chess whiz will emerge, but until then, Mendon men will more than meet our expectations, they will surpass them.

The Career Internship Program

I

The Career Internship Program provides students the opportunity to explore fields of career interest while working with professionals in industry, business, or human service. In addition, the students may earn a number of school credits. The program has grown immensely successful under the expert coordination of Mrs. Kathy Heffron. Although not present for the picture, the second semester internship participants should also be recognized for their fine dedication. A special congratulations also goes to Greg Collins for his winning design for the program's logo.

Academic Decathlon

O

The nine students who participated in Pittsford Mendon's first Academic Decathlon were required to excel in the subjects of biology, chemistry, physics, fine arts, language and literature, math, economics, and history. The students devoted a great deal of time and effort under the unflagging dedication of Mrs. Mary Arnitz and Ms. Patricia Iman, who were also aided by Mr. James Wittig, Ms. Marsha Stevens, Mrs. Jan Kunz, Mr. Paul Pavone, Mr. Alex Jeschke, and Ms. Lois Andrew. Although the team did not qualify for state competition, they did succeed in bringing home a third place trophy in a meet of sixteen schools, in addition to various individual medallions. Faculty enthusiasm and student accomplishments demonstrate that the Academic Decathlon is here to stay.

Pittsford Mendon Viking Spirit

The Camping Club Crazyies!

Pep Club

The source of Viking spirit and sponsor of many essential aspects of the school, the Pittsford-Mendon Pep Club rallies enthusiasm for all school sports. In addition to holding the Pep Assembly before Homecoming Weekend, the group also creates the posters and banners which announce school competitions, especially against the rival knights. The girls of the Pep Club invite the parents of fall athletes to an annual tea, which has become a Mendon tradition. Mrs. Kathy Heffron brings both excitement and flair to the club proceedings, particularly at the varsity basketball games.

CAMPING CLUB

And whatever would we do without those camping club crazyies? Once again, the most unusual club in the school was up to its usual antics during the many exciting trips as well as around the school itself. Mr. Ron Sherman, an avid nature lover, was the inspiration and role model for this adventurous group. It was for these people that the phrase "getting back to mother nature" was invented. The club's tremendous popularity proves beyond doubt that the Camping Club will remain a vital part of the school for many years to come.

Service And Dedication To School & Community

S.A.D.D. Students Against Drunk Driving

The ultimate goal of this branch of the county wide organization of Students Against Drunk Driving is increased awareness of both drug and alcohol abuse in society and among the students in school. The members of this group elected a representative to provide students in the Middle School with information about chemical dependency, and the group is indebted to the efforts of Chairman Frank Carnevale. A similar program in Pittsford Mendon resulted in a day long Chemical Awareness Day. The bumper stickers and informative brochures can still be seen around Pittsford as a result of the group's success. Although the group was originally formed to combat the increasing phenomena of tragic and unnecessary accidents, SADD has grown to represent student movement against the trend to which all too many teens can relate.

The Health and Community Service Club promotes many annual efforts for the benefit of those less fortunate. It is this group that disproves the stereotype of the snobby Pittsford students with the annual Canned Food Drive, which was incredibly successful this year, sponsorship of the Red Cross Blood Donor Drive in the spring, frequent visits to nursing homes, especially during the lonely holiday season, and the adoption of a less privileged family. Through their long hours of diligent work and dedication, this club has become a hallmark of selfless service to both the school and the community of Pittsford.

The Pittsford Mendon School Senate is one of the largest and most diligent groups serving the school. Each of the students in this groups represents not only his or her grade level in the council, but also has the responsibility of expressing the viewpoints of the rest of the student body concerning various issues. It is the only group to which members must be elected, and each class has individual duties in addition to school responsibilities. The senior class organizes the annual Banquet, magazine drive, the Senior Ball, and Graduation. The junior class holds the spaghetti dinner and the junior prom. The sophomore class and freshmen class also sponsor a number of school activities. Finally, the all-school officers serve as leaders for the entire group of dedicated troopers. The most important aspect of the student government, however, is the willingness of each member to devote his or her time to ensuring the democratic representation of the students in school administration decisions. And it is for this final sacrifice that the Student Senate remains the shining pride of our school.

¡Bienvenidos! And Et Tu, Brute? Spanish Club

The newly created Spanish Club was the dream of Dave Cho, but overwhelming student enthusiasm made the dream into reality. The club was established to provide students with the opportunity to further explore Spain outside of the classroom. The Golden Age of Rome lives on in the Latin students who make up the Latin Club, which participates in the National Latin Examination, celebrates the Ancient Roman festivals, and commemorates the horrifying Ides of March. Club members enjoy exploration of both Latin and Classical civilization, and their motto is "Not to know what happened before you were born is to remain forever a child, loosely translated in Latin as "Eheu!" Nullum magnm ingenium sine mixtura demential fuit! (How bout that Latin Club, eh?)

The Piitsford Mendon French Club provided many students with the opportunity to explore the French language and culture in an informal gathering under the leadership of the very fluent Ms. Marilyn Sheehan. In addition to creating the French production of the popular play "Adieu Pere Fouettard" the club also attended activities outside of school. The leadership was provided by President Jay Bhatt, Vice-President Lisa Kinney, Secretary Janet Cho, and Treasurer Derek Reyes, whose responsibilities included a profitable French Club T-shirt program. This year's French Club has managed to leave a lasting impression on the school, as well as provide a high standard for which next year's club will strive.

Russian Club

Row 1: Renee Potter, Bernie Colligan, Janet Cho, Laura Bardeschewski

Russian Club

The Russian Club members not only study the Russian language, but they also learn more about Russian customs and lifestyles. In this way, they can bridge the large gap between the East and West by overcoming their ignorance and accepting the inevitable differences between the two diverse value systems. Ms. Marilyn Sheehan instills in the members a profound respect for the Russian people. Let us hope that the invaluable services she performs for the club and the school will continue for many years to come.

Radio Club And Audio Visual Club

Row 1: Greg Felzor, Tim Seanor, Steve Evaningski, Scott Shear Row 2: Glenn Jones, Katie Garrity, Rob Donderfer, Stephanie Scholfield, T.J. Sullivan, Advisor Gary Mooney

AVISS

The AVISS Club is a very important asset to our school. They are responsible for the various pieces of audio and visual equipment that are used daily. They not only supply the equipment; they also repair it. AVISS not only serves educational functions, but they also provide entertainment for the students. They interview students during the lunch periods and broadcast these interviews on cable channel 6. The club also attends sporting events to capture the excellence of our athletes in action. Without AVISS we as a school would be at a loss.

Radio Club

Row 1: Laurie Campbell, Mike Marioanio, Dan Cohen, Tom Dowling, Pam Kreuter, Glenn Wagner Row 2: Mark Craib, Alex Menzie, Dave Kurtz, Greg Connors, John Brahn Row 3: Jay Coyle, Rey Young, Sean O'Conner, Bill Schol, Tom Galloway, Brian Zambuto

The Radio Club helps to pass the time during those long free periods. The members of this club play the popular music of today and yesterday. This club is basically run by the students, for they can pick what is played. This club is a good outlet for the student who is outspoken or just one who likes good music. The Radio Club has proven to be one of Mendon's most worthy clubs.

Foreign
Exchange

Yonja Karaben (Turkey)

Yasuko Noguchi (Japan)

The foreign exchange program has long been a popular and culturally enriching experience for both the host families and the students themselves. The students bring with them rich heritages of distant and faraway lands to which few people travel, and return to their mother countries with visions of MTV and the American dream in their hearts. This year's group of fascinating personalities was no exception, as each participant came from such faraway places as Norway, Japan, and Switzerland. In addition, several Mendon students will also be traveling abroad this summer. To both groups of cultural explorers, we wish you the best of luck in future endeavors and hope that Mendon's memories will always be sweet.

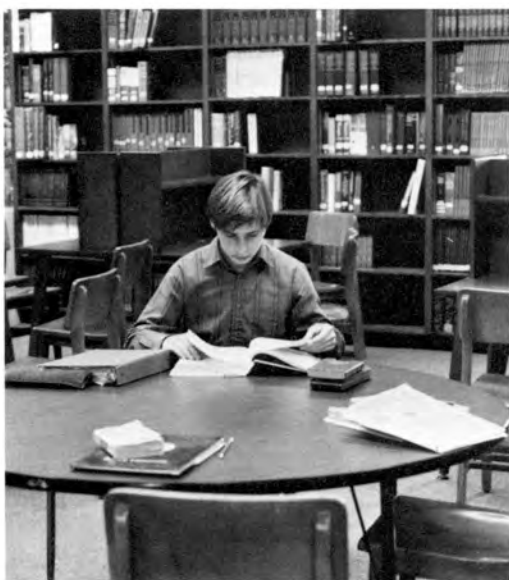

Not pictured but not forgotten: John Hostettler (Switzerland), Asger Nielson (Denmark),
Mock Trial Team

With the three returning seniors from last year's immensely successful team, Mark Biernbaum, Shawn Miklaucic, and Caren McCaleb, the Mock Trial Team was off to an auspicious beginning. Mr. Bruce Brown, with the support of Mr. Alan Biernbaum, was very enthusiastic after his triumphs at the state level in 1985, and strove to create another undefeatable group in 1986. Due to a combination of very unfortunate circumstances, however, this year's Mock Trial team was unable to live up to the high expectations of last year. The evidence clearly demonstrates, however that with continued enthusiasm and participation, next year's team will surpass the records of this year, as well as create yet another victorious notch in Mr. Brown's gavel. The school will continue to watch in the anticipation of another inevitable victory, so don't let us down, Mr. B!

Dedication

Mrs. Mary Baker

"She is always so friendly and she is always there for us."

"She does more for individual students than anyone else."

"She is the most caring adult in the whole school . . ."

"I'd like to thank her for brightening everyone's day and being the cheeriest person I know."

A day just wouldn't seem complete without Mrs. Baker's cheery presence. She brightens everyone's day with her smiles and "good mornings". Through the years she has become part of our lives at Mendon. She welcomed the Class of 1986 when we were sophomores. Somehow she made us feel welcome on our very first day of high school. Her quiet reassurance helped us through that nervous time and it is that impression of her that has remained with us. In our appreciation of her kindness and caring, the Class of 1986 wishes to dedicate this year's Heimskringla to Mrs. Mary Baker.

She may not teach us an academic subject but we have learned even more important lessons from her - things that cannot be taught in the classroom. She demonstrates generosity and caring everyday and she goes out of her way to make each and everyone of us smile. She is very supportive of school activities and is seen at all of the concerts and plays. In her freetime she is active in the St. Louis Church choir.

She has come into contact with everyone of us at one time or another and in her quiet way has had a positive effect on us all. This dedication is the best way the Class of 1986 can find to say thank you for all of her help, support and, of course, smiles.

GRADUATION

Remember back in the first grade we thought we were so old the day we had show and tell and brought in fools gold.

Remember a few years later we thought we were divine, we teased the "first grade babies" at the ripe old age of nine.

Remember back in sixth grade we looked at him with a sigh and dreamed of all the coming days in the huge new Junior high and now its cons later.

As graduation day nears we think bitter-sweet memories and remember past years.

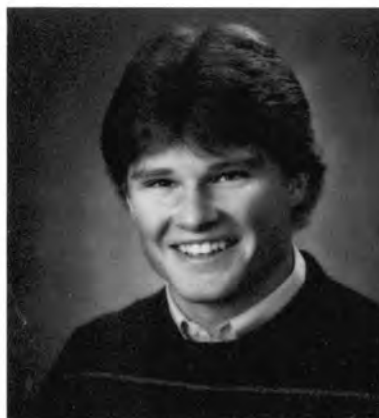

Remember all the hellos and laughter and talking over all our fears.

Remember to reflect on learning and showing
Before the goodbyes and tears.

Friendship defies age and
ignores distance.
It weathers the hard times
and shares the good.
Together we have found this:
Our friendship has provided
acceptance and understanding
in a world that pushes people apart
But I will always remain with
the memories
of the times we have
shared, knowing how
fortunate I am,
To be able to call you my
friend.

AS WE GO OUR SEPARATE WAYS

I don't know what to say . . .
in some ways our time together seems so short;
in other ways,
there was time enough
to get to know each other
and time to enjoy a relationship.
But there was also time . . .
time enough to change.

Sometimes . . . whether we like it or not
people change and circumstances change . . .
These are the things
that we can't do anything about.
But . . . just as the
seasons of life change
and transcend into something
equally as nice,
so, too, do I want the love we had
to become the friendship
we'll never lose.

SCHOOL DAY MEMORIES

As we reach out our hand
The diploma we grasp,
While we think of the memories
Of the years in the past.
Tears fill our eyes
Because it's all gone,
We're starting a new life.
We have to move on.
We hope friends will keep in touch
As the years pass us by,
Although it hurts inside
We'll try not to cry.
We think of kindergarten
And our first day,
Now we've reached the end
We are going away.
How do you say good-bye
To friends who mean so much?
Will there be time
To sincerely keep in touch?
You'll always have the memories
Of your school years from day one,
Don't think of school as ending-
Think a new life has begun.

Many group pictures, identifications, trips to Instant Photo/Wink and layout designs later, it is finally finished. Yet, it could not have been accomplished without the literal blood, sweat and tears of several section editors and those who have helped them along. A special thanks goes to those who worked on the yearbook.

Slide Show, designed to promote the sales of the book. No one knows better than them that one learns from one's mistakes. Also deserving a special note is Mr. Sherman, our ever faithful advisor. I have yet to meet anyone who can hold a truly optimistic outlook day after day that everything will be alright in the end.

This book was published to be a record of the year, a collection of events and memories that will last a lifetime. I hope that it serves its purpose well and will always bring back remembrances of "the times, the faces, the friends and the places."

Good luck to the Class of '86 with whatever they do -

A black and white photograph of a school building with bleachers in the background. The building is a two-story structure with a flat roof. The bleachers are made of metal and are partially covered by a dark fabric. A tall, thin pole stands in the foreground. The sky is bright and overexposed.

Alma Mater

The Viking strength shall always be
A tribute to our school
"Win with pride" will always be
A Viking golden rule

So with glad hearts we sing this song
And sigh a hopeful sigh
Our happy memories are of
Pittsford Mendon High

Our Pittsford home is unsurpassed
In beauty, we all know
A worthy sight for a great school
Whose spirit we will show

So with glad hearts we sing this song
And sigh a hopeful sigh
Our happy memories are
of Pittsford Mendon High

Words by Erik Engberg

Nice job at catcher this year.

Have you heard from the ~~Wolf~~ Wolfman yet? How's your boyfriend doing? Oops.

Ha-ha / Have you checked the stat sheet from Freshman yet? I think I was batting .487 and roughly I think you were at .391. ~~I~~ I'm ^{glad} ~~we~~ were good friends again this year. You'll have to give me a call this summer; seriously

PONTILLOS #1

Josh

What a catcher! I can't wait for football, Fairport, and Wolfman! I hope ~~that~~ you do better next year.

Hope your sex life isn't as good as mine! (It never will!) Steamer's Rules, Molye Sucks, You were a great friend this year, Jay. Let's do something over the summer; seriously

STEAMERS #2

Greg

Hey friendless,
the only time I saw
you this year was study
twice a week in torture
hall. Maybe I'll stop by
myself this summer & stop over, a
your house. I do stop over, a
ride on my awesome piece of
machinery, and don't start thinking
I'm your friend or anything. I
you were smart you would sell
your hacker snowmobile & get another
bike. Besides it was fun blavin' you
and hore away last summer!
Good luck on finals, even though there is
no chance of you beating me in math.
And I'll see you over the summer.

Dave Emerson

P.S. Start lifting weights
or something you stick!

Hey Jay!
It's been one
hell of a year!
esp. to put up w/ Mrs.
Zebelman. I'm glad
that we got to know
each other this year. I hope
you & other friends can remain
friends. Don't worry (a)
Sweet Dad. But he is really
bad c/c. guess you met him on
over the summer. Well c-y-a
XUV,
Jacquie
